

Meet Your Grovelands Primary School Board Nominees

We will be asking Parents to Vote for two positions on our School Board early in Term 4.

Our Nominees For Consideration Are:

ANGELO LAURENCE: Hello, I am currently the Chair of the School Board and seeking a second term as a Parent Representative. I am an IT professional working in the mining sector and specialise in Health, Safety, Environment and Community software applications. My work experience provides me with the skills and knowledge to help create better work environments for others in my workplace and community. I share the same skills and experience in my role as the Chair of the School Board. I am also an active parent in the school, participating and supporting as many activities organised by the school and its partners. Serving on a School Board is a privileged opportunity to contribute and create better outcomes for our School. Kind Regards, Angelo Laurence.

DANIEL POLLACCHI: Hi, my name is Daniel Pollacchi and I am new to the Grovelands community. My daughter Genevieve has started in Pre-primary and I am interested in the future of the school and its continuing successes. I am a diligent participant that will always speak my mind. Grovelands, and education as a whole, is one of my family's top priorities and being a member of the School Board will help me to ensure that these priorities are met. As a teacher from another independent Public School, I have knowledge of how a School Board operates and I hope to join yours to help Grovelands be the best school that it can be. Kind Regards, Daniel Pollacchi.

NAAMAN DEAN: Hello, my name is Naaman Dean and I believe that a good education is the best gift that we can give our children. We need to teach them rules and respect, but we also need to encourage them to have fun at the same time.

Kind Regards, Naaman Dean.
