Kulbardi, Room 16, sharing their "Super Work" efforts from last week.
Here we have Scarlett, Elizabeth and Esmatullah.

Our Student Council is a group of elected students working together with an adult advisor to provide a means for student expression and assistance in school affairs and activities. The students have opportunities for experience in leadership whilst encouraging student/community relations.

Here are Emily and Bianca monitoring the school office phone during lunchtime. This activity helps them to grow in areas such as communication, confidence and leadership.

They have been doing a great job and are enjoying the experience.

Student Councillor Mentor

Our Vision

A safe learning environment where students are empowered: with the skills to question; the desire to improve; the will to persevere and develop resilience; to inspire each other to be the best they can be.

Welcome to the Week 4, Term 3 edition of the Grovelander.

Our excellent start to Term 3 has continued over the past fortnight. In addition to their regular curriculum, our students have enjoyed a Constable Care incursion, and the Year 5/6 students had a great time and hands on learning experience planting trees in Kuhl Park with the local Landcare group.

With Mr Hobley's return to work following knee surgery, our focus has quickly switched to preparation for our annual Athletics Carnival on Friday, August 21. We look forward to this being our first community event in a considerable amount of time. We will be asking for the cooperation of our community in ensuring that we maintain a 1.5 metre distance between each family and/or shelter and there will be strict limitations on contact with students and/or staff during the day.

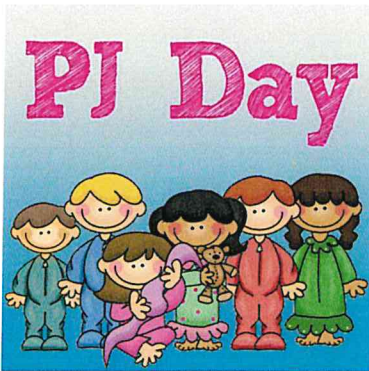

Our P & C, in conjunction with the Lions Club of Armadale/Kelmscott, will be hosting a sausage sizzle on the day and coffee and ice-cream vans have been organised.

Last Friday, the State Government announced a delay in the easing of Phase 4 COVID-19 restrictions. A new date (29/08/20), has been tentatively set for the move to Phase 5. This means that all our current restrictions, such as gate times, parent/carer access to classrooms, hallways & wet areas, will remain in place until then. Additionally, the Jumps and Throws Event on Tuesday, August 18, and Kulbardi Room 14 Assembly on Friday, August 14 will be staff and students only events.

Footage of the Kulbardi Room 14 assembly will be uploaded to our private YouTube channel and shared via Connect and the P&C Facebook Group.

Please be aware that our excellent Student Council will be holding a Pyjamas Day fundraiser on Friday, August 28. It would be awesome to see all our students embrace this opportunity to have a bit of fun.

Mark Bradshaw
Principal.

This term, our Student Councillor Fundraiser is **Pyjama Day!**

We encourage all students to wear their Pyjamas to school on **Friday, 28 August**. Please donate a gold coin to assist with raising funds for new Assembly audio equipment.

October VacSwim

Enrolments open Wednesday, 22 July 2020.

Armadale Fitness and Aquatic Centre is pleased to be a host Centre for VacSwim this October school holidays. The program is run by the Department of Education.

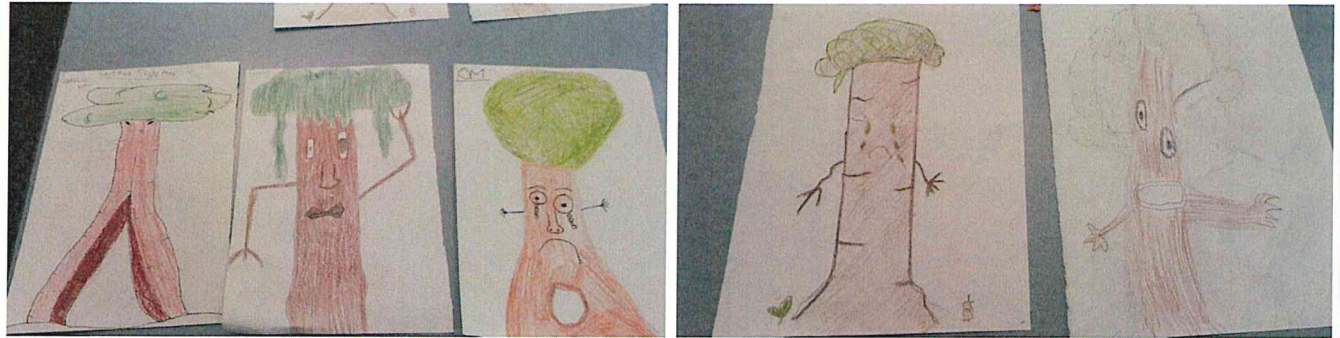

VacSwim offers affordable swimming lessons across the state, giving children the opportunity to learn to swim in a safe and enjoyable environment.

Program Dates: 29 September to 9 October 2020

For more information or to enrol please visit <https://www.education.wa.edu.au/enrolling-in-vacswim>,

Bindi Bindi Room 3 is learning about Information Report writing this term. To hook our students, Mrs Smith shared her experiences and photos from her visit to the South West. Students had a discussion about the giant trees there and the model text on 'The Tree Giants' was introduced. Students read the text, developed some actions to imitate the text and created a story map as part of the imitation stage of a "Talk 4 Writing" process. They also imagined and drew their own idea of tree giants. More photos are over the page.

Constable Care Incursion, Tuesday 4 August

On Tuesday, 4 August, we had a Constable Care Incursion for Years 1 to 6. The incursion was aligned with our Health Education curriculum and themes were selected to excite, engage, challenge and educate our students. The performances used puppet theatre and role play. All the students enjoyed the performances and actively participated in the quiz activities at the end of the sessions.

National Tree Planting Day in Schools

On Friday, 31 July, Bindi Bindi Rooms 1,3 and 4 were invited to Kuhl Park by Shane Hunter from the Armadale Gosnells Landcare Group, where we then learnt about tree planting. Mr Hunter talked about habitats, Land Care and National Tree Day. National Tree Day started in 1996 and has grown into Australia's largest community tree planting and nature care event.
